### PRICE LIST

I take pleasure in presenting my Price List, and extend my sincere thanks to all my patrons, a continuance of whose orders I endeavor to merit by honorable dealing, and supplying the best stock at reasonable prices. My stock is of the best quality, young and thrifty.

The best inducements are offered to Village Improvement Societies and for roadside planting. Specimen Ornamental Trees, Shrubs, and Hedges are growing on the grounds. The Fruits are also growing and bearing, consequently well tested.

You are cordially invited to visit the Gardens and consult with the Proprietor as to Varieties, Time of Planting, and make your own selections.

My Nurseries have been properly inspected by the State Entomologist and a Certificate of Inspection accompanies every shipment made.
